Key Differentiators

Clair's On-Demand Pay extends value to both employers and employees.

NO COST TO YOU

We never charge you. When employees use their Clair Debit Mastercard® Clair gets a portion of the fee that merchants pay to Mastercard.

NO COST TO EMPLOYEE

We promise \$0 in inactivity fees, maintenance fees, service fees, and no overdraft for employees.

NO RISK

Clair takes on all the risk and liability. In the event that there is an issue with repayment on wage advances, Clair will bear that loss.
