

Health insurance for less than 50 employees

PRIMEPAY + SIMPLYINSURED

# Health Insurance Made Simple

## Providing Health Insurance Should Not Be That Hard

Providing health, vision and dental insurance to employees is a proven way to attract and retain talent in today's competitive job market - and should be easy for business leaders. So why do 55% of small business owners report that providing healthcare to their employees is their biggest challenge above COVID challenges and taxes?

## Instant, Customized Quotes All Within Your Payroll System

PrimePay's integration with SimplyInsured provides small business leaders with a one-stop-shop for purchasing health insurance. Search, compare and enroll in medical, dental and vision benefits with the help of unbiased recommendations and an online application that takes just 20 minutes to complete.
